

## **Referral Program – Terms of Service**

You may earn rewards by successfully referring customers to the store, by sharing your unique link.

A successful referral must meet the following criteria:

1. An order made directly through your unique link. If your link was used by a referred customer who leaves the page and purchases later, this will disable the referral tracking.
2. If a minimum purchase amount is specified, the order must meet the required purchase amount or higher.
3. The order made by the referred customer was successfully fulfilled.

It is prohibited to refer yourself, including using a different email address, and to distribute your referral link via commercial advertising or spam.

Once a successful referral has been detected, an email containing information on how to claim your reward will be sent out to you. It may take up to a day after the referral purchase is fulfilled for the referral to be detected.

Rewards are accumulated separately for each unique link. If you make more than one purchase at the store, each purchase will result in generating a different link.

Any abuse of this offer may result in the rescission of your referral credit and the referred customer's promo code as well as both parties' inability to participate in this or future promotions. Referral credit cannot be applied to previous purchases, and is not redeemable for cash. This referral program is subject to modification or termination at any time without notice.
